

Vision

At Sowe Valley we feel that the children are at the heart of everything we do. We strive to ensure that our children are happy, confident children who share a positive attitude and an enthusiasm to find out about the world around them.

We believe that learning should be engaging, purposeful and challenging and aim to provide a diverse and motivating curriculum that responds to the needs and interests of our learners.

Sowe Valley is a learning community for all, where children, staff, parents, governors and the wider community work together to create a safe, caring and stimulating environment in which every individual is valued, encouraged to succeed and equipped with the skills they need for the adventures ahead of them.
