1 Definitions

1.1 'Safeguarding' is defined in Keeping Children Safe in Education (2019) as;

- protecting children from maltreatment;
- preventing impairment of children's health or development;
- ensuring that children grow up in circumstances consistent with the provision of safe and effective care; and
- taking action to enable all children to have the best outcomes.

1.2 'Child Protection' is the intervention that occurs when children have been significantly harmed or are at risk of significant harm.

1.3 'Child' refers to everyone under the age of 18.

1.4 'Parent' refers to birth parents and other adults in a parenting role for example adoptive parents, step parents and foster carers.

1.5 'Staff' or 'members of staff' refers to all teaching, non-teaching, support, supply, peripatetic, contract staff, governors, volunteers and trustees working in or on behalf of Sowe Valley Primary School.

2 Introduction

2.1 We recognise that safeguarding and child protection is an essential part of our duty of care to all students and all staff have a responsibility to provide a safe environment in which children can learn. We understand that safeguarding, child protection and promoting the welfare of all children is everyone's responsibility and everyone has a role to play in protecting children. We recognise that our school is part of a wider safeguarding system for children and work closely with other agencies to promote the welfare of children. We maintain an attitude of 'it could happen here' and will consider the wishes of, and at all times, what is in the best interests of each child.

2.2 The purpose of this policy is to;

- Promote safeguarding and child protection and to demonstrate Sowe Valley Primary School's commitment to keeping children safe;
- Provide all members of staff with the information required to meet their safeguarding duty and protect children from harm;
- Provide stakeholders with clear information relating to Sowe Valley Primary School's safeguarding and child protection procedures;
- Ensure that staff understand, can recognise and can respond to the indicators of abuse;

2.3 Sowe Valley Primary School is committed to the following principles;

- All children have the right to be protected from harm.
- Children should feel safe and secure and cannot learn unless they do so.
- All staff are responsible for keeping children safe and have a responsibility to act if they think a child is at risk of harm.
- Working with other agencies is essential to promote safeguarding and protect children from harm.
- Early help and providing support to families and/or children as soon as a problem emerges is essential to improving outcomes for children and families.

2.4 Safeguarding aims

4 Types of abuse

4.1 As outlined above, all staff will be trained in indicators of abuse and should be able to recognise signs of abuse. We recognise that abuse, neglect and safeguarding issues are complex and can rarely be covered by one label. Abuse can take many forms and can involve directly inflicting harm on a child, or failing to protect a child from harm. The four main types of abuse that staff are trained to recognise are;

- Physical abuse;
- Sexual abuse;
- Emotional abuse;
- Neglect.

4.2 Types of abuse (Taken from Working Together to Safeguard Children, 2018)

Type of abuse	Information
Abuse	A form of maltreatment of a child. Somebody may abuse or neglect a child by inflicting harm, or by failing to act to prevent harm. Children may be abused in a family or in an institutional or community

Type of abuse	Information
	<p>setting by those known to them or, more rarely, by others. Abuse can take place wholly online, or technology may be used to facilitate offline abuse. Children may be abused by an adult or adults, or another child or children.</p>
Physical abuse	<p>A form of abuse which may involve hitting, shaking, throwing, poisoning, burning or scalding, drowning, suffocating or otherwise causing physical harm to a child. Physical harm may also be caused when a parent or carer fabricates the symptoms of, or deliberately induces, illness in a child.</p>
Emotional abuse	<p>The persistent emotional maltreatment of a child such as to cause severe and persistent adverse effects on the child's emotional development. It may involve conveying to a child that they are worthless or unloved, inadequate, or valued only insofar as they meet the needs of another person. It may include not giving the child opportunities to express their views, deliberately silencing them or 'making fun' of what they say or how they communicate. It may feature age or developmentally inappropriate expectations being imposed on children. These may include interactions that are beyond a child's developmental capability, as well as overprotection and limitation of exploration and learning, or preventing the child participating in normal social interaction. It may involve seeing or hearing the ill-treatment of another. It may involve serious bullying (including cyber bullying), causing children frequently to feel frightened or in danger, or the exploitation or corruption of children. Some level of emotional abuse is involved in all types of maltreatment of a child, though it may occur alone.</p>
Sexual abuse	<p>Involves forcing or enticing a child or young person to take part in sexual activities, not necessarily involving a high level of violence, whether or not the child is aware of what is happening. The activities may involve physical contact, including assault by penetration (for example, rape or oral sex) or non-penetrative acts such as masturbation, kissing, rubbing and touching outside of clothing. They may also include non-contact activities, such as involving children in looking at, or in the production of, sexual images, watching sexual activities, encouraging children to behave in sexually inappropriate ways, or grooming a child in preparation for abuse. Sexual abuse can take place online, and technology can be used to facilitate offline abuse. Sexual abuse is not solely perpetrated by adult males. Women can also commit acts of sexual abuse, as can other</p>

Type of abuse	Information
Child sexual exploitation (CSE)	<p>children.</p> <p>The sexual abuse of children by other children is a specific safeguarding issue in education.</p> <p>CSE is a form of child sexual abuse. It occurs where an individual or group takes advantage of an imbalance of power to coerce, manipulate or deceive a child or young person under the age of 18 into sexual activity (a) in exchange for something the victim needs or wants, and/or (b) for the financial advantage or increased status of the perpetrator or facilitator. The victim may have been sexually exploited even if the sexual activity appears consensual. Child sexual exploitation does not always involve physical contact; it can also occur through the use of technology.</p>
Neglect	<p>The persistent failure to meet a child's basic physical and/or psychological needs, likely to result in the serious impairment of the child's health or development. Neglect may occur during pregnancy, for example, as a result of maternal substance abuse. Once a child is born, neglect may involve a parent or carer failing to: provide adequate food, clothing and shelter (including exclusion from home or abandonment); protect a child from physical and emotional harm or danger; ensure adequate supervision (including the use of inadequate care-givers); or ensure access to appropriate medical care or treatment. It may also include neglect of, or unresponsiveness to, a child's basic emotional needs.</p>

4.3 Indicators of abuse can be found in Appendix B.

4.4 If a child is in immediate danger or at risk of harm, a referral will be made to children's social care (through the MASH) and any member of staff can make this referral. A Designated or Deputy Designated Safeguarding Lead should be available at all times, but in exceptional circumstances the member of staff should speak to a member of the Senior Leadership Team or seek advice directly from social care and then take appropriate action. The Designated Safeguarding Lead should be made aware as soon as possible.

4.5 Staff, parents and the wider community should report any concerns that they have about the welfare of children, however minor or seemingly insignificant. Staff should not assume that someone else will report concerns.

4.6 The school recognises that any child can be the victim of abuse and may benefit from early help. However, the school will be particularly vigilant to potential need for early help if a child;

- is disabled and have specific additional needs;
- has special educational needs (whether or not they have a statutory education, health and care plan);
- is a young carer;
- is showing signs of being drawn in to anti-social or criminal behaviour, including gang involvement and association with organised crime groups;
- is frequently missing/goes missing from care or from home;
- is misusing drugs or alcohol themselves;
- is at risk of modern slavery, trafficking or exploitation;
- is in a family circumstance presenting challenges for the child, such as substance abuse, adult mental health problems or domestic abuse;
- has returned home to their family from care;
- is showing early signs of abuse and/or neglect;
- is at risk of being radicalised or exploited;
- is a privately fostered child.²

4.7 Sowe Valley Primary School recognises that abuse can take many different forms. Staff will also receive training on the following issues and action will be taken if Sowe Valley Primary School believes that a child is at risk of or is the victim of;

- physical abuse;
- sexual abuse;
- child sexual exploitation;
- emotional abuse;
- neglect;
- bullying, including cyber- or online-bullying;
- child criminal exploitation (including involvement in county lines);
- domestic abuse;
- fabricated or induced illness;
- faith-based abuse;
- female genital mutilation;
- forced marriage;
- gangs or youth violence;
- gender-based violence;
- hate;
- radicalisation;
- relationship abuse;
- serious violence;
- sexual violence or sexual harassment (including peer on peer abuse);
- sexting;
- So-called 'honour-based' violence;

² Taken from paragraph 18, Keeping Children Safe in Education (September 2019)

- trafficking and modern slavery.

4.8 Sowe Valley Primary School will also take action to protect;

- Children missing education;
- Children missing from home or care.

4.9 There are other familial issues that can have a detrimental impact on children. We work with other agencies in line with Keeping Children Safe in Education (2019) to support children and families in the following circumstances;

- Children facing the court procedures and/or children in the court system;
- Children with family members in prison;
- Children who are homeless.

4.10 Sowe Valley Primary School have a duty to refer any children who are living in a private fostering arrangement to the local authority.

4.11 All schools are subject to a duty under section 26 of the Counter-Terrorism and Security Act 2015 in the exercise of their functions to have "due regard" to the need to prevent people from being drawn into terrorism. See Appendix B for further information on Sowe Valley Primary School's Prevent duty.

4.12 If any member of staff is unsure about signs of abuse or neglect, they should speak to the Designated Safeguarding Lead.

4.13 See Appendix B for further information and guidance on the above issues.³

5 Responding to signs of abuse

5.1 If a member of staff, parent or member of the public is concerned about a child's welfare, they should report it to the designated safeguarding lead as soon as possible. On occasions when the designated safeguarding lead is not available, it should be reported to the deputy safeguarding lead without delay. Although any member of staff can make a referral to Children's Social Care, where possible there should be a conversation with the Designated Safeguarding Lead.

5.2 If anyone other than the Designated Safeguarding Lead makes a referral to children's social care or to the police, they should inform the DSL as soon as possible.

5.3 All staff will be alert to indicators of abuse and will report any of the following to the Designated Safeguarding Lead immediately;

- Any concern or suspicion that a child has sustained an injury outside what is reasonably attributable to normal play;
- Any concerning behaviours exhibited by children that may indicate that they have been harmed or are at risk of harm, including unusual changes in mood or behaviour, concerning use of language and/or concerning drawings or stories.

³ Please note that definitions of physical, sexual, emotional abuse and neglect are contained in the main body of the policy. Further information about other safeguarding issues and indicators of abuse can be found in Appendix B.

- Any significant changes in attendance or punctuality;
- Any significant changes in a child's presentation;
- Any concerns relating to people who may pose a risk of harm to a child; and/or
- Any disclosures of abuse that children have made.

5.4 There will be occasions where a child discloses abuse directly to a member of staff. If this happens, the member of staff will;

- listen carefully to the child and believe what they are saying;
- not promise confidentiality, as information may need to be passed on so the child and family can receive additional support;
- only ask for clarification if something is unclear and will not ask 'leading' questions;
- report disclosure to the designated safeguarding lead as soon as possible, certainly by the end of the day;
- only discuss the issue with colleagues that need to know about it; and
- will write up the disclosure and pass it to the designated safeguarding lead. It is likely they will have a discussion with the DSL prior to this.

5.5 The designated safeguarding lead will make a decision about the action that needs to be taken following a member of staff raising a concern about a child, or following a direct disclosure. The DSL may;

- Manage support for the child internally;
- Seek advice from the social worker advice line in the MASH;
- Instigate single agency intervention and work directly with the family to improve the situation;
- Offer an Early Help Assessment to provide multi-agency help to a family;
- In cases where children are deemed to be at significant risk of harm, the DSL will refer cases to the MASH for statutory intervention. Parental consent will be obtained wherever possible before referring cases to the MASH. However, if Sowe Valley Primary School is worried that telling parents will mean the child is at greater risk of harm, we may do this without informing them.
- If parents do not consent to a referral but the school believes that a child is at significant risk of harm, a referral will still be made to children's social care.

5.6 For further information about the Coventry Safeguarding Children Partnership's 'Right Help, Right Time' guidance, which is used by Sowe Valley Primary School to make decisions about protecting children, please visit <http://www.coventry.gov.uk/righthelprighttime>.

5.7 See page 17 for flowchart of actions that will be taken where there are concerns about a child (taken from Keeping Children Safe in Education, September 2019).

5.8 In cases where members of staff become aware that Female Genital Mutilation (FGM) has been carried out on a female below the age of 18, they have a mandatory duty to report this to the police without delay and will do so. Staff should refer this to the DSL, but the legislation requires regulated health and social care professionals and teachers in England and Wales to make a report to the police where, in the course of their professional duties, they either;

- are informed by a girl under 18 that an act of FGM has been carried out on her; or

- observe physical signs which appear to show that an act of FGM has been carried out on a girl under 18 and they have no reason to believe that the act was necessary for the girl's physical or mental health or for purposes connected with labour or birth.⁴

5.9 Sowe Valley Primary School understands that both adults and other children can perpetrate abuse, and peer on peer abuse is taken very seriously. Peer on peer abuse can include bullying, cyber-bullying, physical abuse, sexting, sexual violence and/or harassment, upskirting, and initiation/hazing ceremonies. The school recognise that safeguarding issues can manifest as peer on peer abuse.

All members of staff will be made aware of the school's policy and procedures with regards to peer on peer abuse. Sowe Valley Primary School will ensure staff understand what is meant by peer on peer abuse and the school policy on peer on peer abuse by ensuring that it is part of whole staff safeguarding training and part of the behaviour policy.

5.9.1 The school will work to prevent peer on peer abuse by ensuring that our Behaviour Policy is clear; that children are taught respect as part of: RSE, PSHE and the school's core values.

5.9.2 In the event that an allegation of peer on peer abuse is made, Sowe Valley Primary School will investigate this through in-school systems, involving the Learning Mentor and members of the Leadership Team. We will take any allegation of peer on peer abuse and treat it the same as a disclosure of any other type of abuse. We will seek evidence of this behaviour and inform both the victim and perpetrator of this behaviour of what will happen next. All behaviour logs will be made on CPOMS and will reflect the detail of the disclosure and any subsequent evidence gained from other children or sources (screenshots – providing that they are not indecent images, etc)

5.9.3 In the event that an allegation of peer on peer abuse is made, victims and alleged perpetrators will be supported by the school's leadership team and Learning Mentor. Further support will be requested via MASH referrals for both parties and/or the police as appropriate

5.9.4 Sowe Valley Primary School will never pass off peer on peer abuse as 'banter' or 'part of growing up'.

5.9.5 Gender/age specific issues that may affect our children may include but is not exclusive to girls being touched inappropriately or boys being subject to different types of violence and groups. We recognise and teach through our PSHE curriculum the use of protective behaviours and about appropriate use of the internet and how to conduct themselves on line.

5.9.6 Sowe Valley Primary School will adhere to guidance set out in Keeping Children Safe in Education (2019) and Sexual Violence and Sexual Harassment in Schools (May 2018) when responding to incidents of peer on peer abuse.

5.9.7 All staff will be made aware that 'upskirting' is a criminal offence.

5.10 **Youth Produced Sexual Imagery ('sexting')**

5.10.1 'Sexting' refers to any sharing of youth-produced sexual imagery between children. This includes;

⁴ *introduced in Section 5B of the FGM Act 2003, as inserted by section 74 of the Serious Crime Act 2015

- A person under the age of 18 creating and sharing sexual imagery of themselves with a peer under the age of 18;
- A person under the age of 18 sharing sexual imagery created by another person under the age of 18 with a peer under the age of 18 or an adult;
- A person under the age of 18 being in possession of sexual imagery created by another person under the age of 18.

5.10.2 Sowe Valley Primary School has a responsibility to educate children in the risks relating to 'sexting' and how to keep themselves safe online. Please see relevant policies in Appendix A

5.10.3 Any incidents or suspected incidents of 'sexting' should be reported to the DSL without delay.

5.10.4 Once reported to the DSL, the DSL will decide on the appropriate course of action. This could include;

- Confiscation of mobile phones in line with guidance 'Searching, Screening and Confiscation, (January 2018);
- Referrals to the police and/or MASH;
- Sanctions in accordance with behaviour policy;
- Support for young people involved to prevent reoccurrence;

5.10.5 The school recognises that safeguarding incidents can be associated with factors outside the school and may take place outside of school. We will always consider contextual safeguarding factors when responding to safeguarding incidents.

5.10.6 Any incidents of 'sexting' involving the following will result in a MASH and/or Police referral;

- Adult involvement;
- Coercion or blackmail;
- Children under the age of 13;
- Extreme, or violent content;
- Immediate risk of harm.

5.10.7 Staff will not view images or videos on pupil devices. Confiscated devices will be stored securely and passed to the relevant agencies.

5.10.8 We will work with parents as necessary if their child is involved in 'sexting'.

5.10.9 We operate a culture of safeguarding and young people should feel confident to disclose if they have sent an inappropriate image of themselves. Children will always be supported to retrieve and delete the images.

5.11 Serious Violence

5.11.1 All staff will be made aware of indicators, which may signal that children are at risk of, or are involved with serious violent crime.

5.11.2 All staff will be made aware of the risks associated with serious violence, criminal networks and gangs and understand the measures in place to prevent these.

5.12 Searching, Screening and Confiscation

5.12.1 Where necessary, searching, screening and confiscation will be used to safeguard a child/children in Sowe Valley Primary School.

5.12.2 Sowe Valley Primary School adheres to 'Searching, Screening and Confiscation: Advice for Schools (January 2018).

5.12.3 Please see searching, screening and confiscation policy for further information.

Actions where there are concerns about a child

- (1) In cases which also involve a concern or an allegation of abuse against a staff member, see Part four of this guidance.
- (2) Early help means providing support as soon as a problem emerges at any point in a child's life. Where a child would benefit from co-ordinated early help, an early help inter-agency assessment should be arranged. Chapter one of [Working Together to Safeguard Children](#) provides detailed guidance on the early help process.
- (3) Referrals should follow the process set out in the local threshold document and local protocol for assessment. Chapter one of [Working Together to Safeguard Children](#).
- (4) Under the Children Act 1989, local authorities are required to provide services for children in need for the purposes of safeguarding and promoting their welfare. Children in need may be assessed under section 17 of the Children Act 1989. Under section 47 of the Children Act 1989, where a local authority has reasonable cause to suspect that a child is suffering or likely to suffer significant harm, it has a duty to make enquiries to decide whether to take action to safeguard or promote the child's welfare. Full details are in Chapter one of [Working Together to Safeguard Children](#).
- (5) This could include applying for an Emergency Protection Order (EPO).

5.12.4 To raise concerns about children, members of staff should contact the Multi-Agency Safeguarding Hub (MASH) by telephone to discuss the referral. They should then complete the online Multi-Agency Referral Form (MARF) and submit this to the MASH. The school will follow up referrals if we do not receive feedback from social care.

MASH Telephone number: 02476 788 555

MASH online referral form: <http://www.coventry.gov.uk/safeguardingchildren>

Out of hours Emergency Duty Team: 02476 832 222

Prevent/Channel Referrals: Refer to MASH (mash@coventry.gov.uk) and to CTU_GATEWAY@west-midlands.pnn.police.uk

5.13 If a child's situation does not appear to be improving following a referral, the school may re-refer the child. We will also consider using the Coventry Safeguarding Children Partnership's Escalation and Resolution of Professional Disagreements policy, to ensure that our concerns have been addressed and that the situation improves for the child.

6 Record-keeping

6.1 A written record of all safeguarding and/or child protection concerns, discussions and decisions made will be kept in individual children's files. This will be separate from the main school file and will only be accessed by the relevant safeguarding staff.

6.2 Sowe Valley Primary School keeps all safeguarding files electronically, using a system called CPOMs.

6.3 Staff will submit all concerns in writing to the DSL at the earliest opportunity. This may be after having a verbal conversation, but conversations will also be followed up in writing.

6.4 In the event that a child moves school, the safeguarding file will be transferred to the new setting securely and separately from the main school file. Once received by the new school, this school will not retain the information.

6.5 The school will seek at least two emergency contacts for every child.

6.6 All data processed by Sowe Valley Primary School is done so in line with the General Data Protection Guidelines. Please see the following policies for additional information;

7 Photography and Images

7.4 Photographs of children will be processed in line with the General Data Protection Regulation.

8 Early Help

8.1 Sowe Valley Primary School is committed to supporting families as soon as a possible problem arises. It is more effective to support a family through early help than reacting to a problem later. Everyone who comes into contact with children and their families and carers have a role to play in safeguarding children. 11.1 Sowe Valley Primary School takes all allegations against staff seriously and will manage them in line with this policy, Part Four of Keeping Children Safe in Education (September 2019) and the CSCP Guidance, 'Allegations against Staff and Persons in a Position of Trust'.

11.2 If a concern or allegation of abuse arises against the Headteacher, it must be reported to the Chair of Governors without delay.

11.4 Allegations of abuse against staff must be reported to the Headteacher or Chair of Governors as appropriate and not discussed directly with the person involved.

11.5 The Headteacher or Chair of Governors should consider if the allegation meets the threshold for Designated Officer intervention. The details of the LAdo can be found at the front of this policy.

11.6 Concerns relating to a position of trust issue will be referred to the Local Authority designated officer within 24 hours.

- Protective Behaviours work
- Sex and Relationship education
- E-Safety work
- Mental health activities – ongoing throughout the year
- NSPCC workshops

13 Children Looked After

13.1 The most common reason for children to be looked-after is because they have experienced abuse and/or neglect. Sowe Valley Primary School recognises that children looked after may have additional vulnerabilities. The Designated Lead for Looked-After and Previously Looked-After Children is Emma White.

13.2 Staff will receive training on how to best safeguard children who are Looked-After and Previously Looked-After.

13.3 The school will work with Personal Advisors when children leave care (where applicable).

13.4 Sowe Valley Primary School is committed to working with other agencies to ensure the best outcomes for Looked-After and Previously Looked-After children.

14 Children with Special Educational Needs

14.1 As outlined in Keeping Children Safe in Education (2019), Sowe Valley Primary School is aware that children with additional needs or disabilities may be more vulnerable to abuse and additional barriers may exist when recognising abuse and neglect. This could be because;

- assumptions that indicators of possible abuse such as behaviour, mood and injury relate to the child's disability without further exploration;
- being more prone to peer group isolation than other children;
- the potential for children with SEN and disabilities being disproportionately impacted by behaviours such as bullying, without outwardly showing any signs; and
- communication barriers and difficulties in overcoming these barriers.⁶

14.2 Staff will be trained in recognising signs of abuse in children with SEN and disabilities.

⁶ Keeping Children Safe in Education, September 2019

14.3 Staff will take into account the needs of a child when responding to concerns of abuse or when taking a disclosure. We recognise that some children require specialist intervention to communicate and advice from the SENCO will be sought in these circumstances.

14.4 Safeguarding learning opportunities within the curriculum will be appropriately differentiated to ensure all children can access it.

15 Use of reasonable force

15.1 There may be occasions when staff are required to use reasonable force to safeguard children. We will not use any more force than is necessary. Members of staff within school are trained to positive handle children if needs be. Any techniques should be used reasonably. All incidents are recorded in the positive handling log in the head's office, records are also kept on CPOMS. Several de-escalation strategies are used in advance including; listening to the children, diversion, humour, change of adult, recognising warning signs, providing choices and many more.

16 Work Experience

16.1 Any person completing work experience or voluntary work are inducted by the Business Manager, Mandy Rosamond. The induction covers safeguarding procedures and volunteers are expected to read this policy before signing the induction form.

17 Summary

17.1 Sowe Valley Primary School is committed to safeguarding children and will always make safeguarding decisions that are in the best interests of each child. For further information or if you have any queries about this policy, please contact the school.

Appendix B – Further Safeguarding Information

Types of Abuse

As outlined in paragraph 4.6, the school will take action if we believe a child is at risk of or is suffering from abuse. Abuse is not limited to physical, emotional, sexual abuse and neglect. For further information on the definitions of the types of abuse below, please refer to Keeping Children Safe in Education (2019), Annex A.

See below for policy information relating to other key safeguarding issues. All decisions taken in responding to concerns of abuse will be taken in the best interests of the child.

Bullying, including cyber- or online-bullying

The school takes all forms of bullying seriously and will respond sensitively and quickly to any reported bullying. Children should report any bullying to their class teacher, to the DSL or to any trusted member of staff and we will work to resolve it.

We also teach children about the dangers of bullying through our curriculum.

Bullying can take many forms and we have several policies that cover different aspects of bullying. Please see the Anti-Bullying Policy, the Behaviour Policy.

Child criminal exploitation

Staff in school are aware of the occurrence of children being vulnerable to potential exploitation through links with older children in the community, online gaming and social media. Contextual knowledge of our community and staff vigilance means that any concerns are logged and acted upon promptly. Children are taught about the dangers of being influenced and involved in criminal activities during PHSE lessons at an age appropriate level and parents are offered support via workshops during the year.

Domestic abuse

School receive logs from the police of any DVA incidents that they are called to (Operation Encompass). Staff do not discuss this with parents or children and understand the implications of doing so. Any disclosures of DV incidents made by a child or parent are reported to MASH and the police as required and expected.

Fabricated or induced illness

Staff are aware of FII and the Learning mentor is trained to deal with FII. Parents are supported and referrals to MASH are completed when evidence of harm is clear and substantiated.

Faith-based abuse

All abuse of children, whether faith based or not, is dealt with promptly by staff and referred to MASH and the police if necessary.

Female genital mutilation

Staff have knowledge of types of FGM and the indicators and symptoms of FGM. All staff understand that FGM will be reported immediately to the police and then MASH. All staff understand the legal responsibility to act immediately and report directly to the police (not through the DSL and CPOMS logs)

Forced marriage

Staff understand the implications of forced marriage on our children. Staff are aware of police teams and charities that work with victims of forced marriage and fully understand the necessity to report concerns raised by any of our children, whether those concerns be for themselves, siblings or parents. After conversations with family members or the child, the DSL will contact the MASH team and/or police accordingly.

Gangs or youth violence

Children learn about the dangers of gangs and youth violence during PHSE lessons as appropriate to their age. Staff are aware of gang culture in the context of our school community and the dangers that our children face when socialising with older children. As a result, our staff are vigilant when talking to children or travelling within our community and report any concerns to the DSL.

Gender-based violence

Gender based violence is unacceptable for our children. Staff report any concerns to the DSL and they will contact MASH and/or the police as appropriate.

Hate

Any hate based language or actions against another person is not tolerated at Sowe Valley Primary School. It is dealt with via our behaviour policy and children are taught explicitly about the dangers of extreme language and using language that discriminates against others. Staff will challenge all language that is unacceptable and will not accept any language as "banter" or "jokes". Neither will it be considered as acceptable if children use words or language that they do not understand that cause offence and discriminate.

Homelessness

Staff are aware of the ongoing concerns for many of families that become homeless. The Learning Mentor will always seek to support families struggling to find stable accommodation and is aware of the changes to benefits and the Universal Credit system that has added pressure to our families' budgets.

(So-called) 'Honour-based' violence

Any reports of HBV are reported to the DSL and then MASH and/or police are contacted as appropriate. All staff have received training on HBV and understand the implications for our children and parents.

Radicalisation and Extremism

Staff have training on Prevent and Wrap training and are fully aware of their responsibilities to report any concerns to the DSL. Paragraph 4.11 outlines the legal responsibility that all staff have in school to act upon concerns they have. Staff also fully understand radicalisation and extremism in the context of our community and will discuss both during PHSE lessons with children at an age appropriate level. Any concerns that staff have, will be discussed with parents (and in some cases MASH

and/or the police). Support will be offered via Channel referrals when the DSL feels this is appropriate after discussions with all of the above stakeholders. Parents and children will be offered 1:1 support from learning mentors to talk through concerns.

Relationship abuse

Coercive behaviour is not tolerated at Sowe Valley Primary School and whilst our children may not be of age to participate in typical relationship abuse, our staff are vigilant of signs of manipulation within social and peer groups and will challenge this via our behaviour policy. Should a child make a disclosure about themselves, older siblings or friends and /or parents, which include indicators of relationship abuse, the DSL will follow up with advice from MASH and refer where necessary.

Serious Violence

Any kind of violence and harassment is dealt with via our behaviour policy and will be taken seriously by staff at school. Parents will be informed and considering the age of our children, referrals made to MASH and/or the police as appropriate. Staff are clear that violence, harassment and abuse is unacceptable regardless of age.

Sexual violence or sexual harassment (including peer-on-peer abuse)

Any kind of sexual violence and harassment is dealt with via our behaviour policy and will be taken seriously by staff at school. This includes sexualised "put downs" and references to sexualised behaviour as a means of intimidation. Parents will be informed and considering the age of our children, referrals made to MASH and/or the police as appropriate. Staff are clear that violence, harassment and abuse is unacceptable regardless of age.

Sexting

Children are taught about the dangers of sending images of themselves via social media or messaging apps. They are taught that it is illegal in all cases for anyone to send inappropriate images of children and that it will lead to police involvement and MASH referral. Parents are made aware of this and encouraged to speak to the Learning Mentor for any further guidance.

Trafficking and modern slavery

Staff are aware of the dangers of trafficking and modern slavery and understand that they report these concerns to the DSL who will seek support from the police, MASH and in some cases adult social care.

Children missing from education, home or care

The school will also take action to protect;

- Children missing education
- Children missing from home or care

Children Missing Education

Sowe Valley Primary School sets high expectations for attendance at school (see Attendance Policy). As a result of this, we monitor carefully any period of absence and visit the family home of any child whose parent or carer has not contacted the school to explain the absence. After three days absence we will visit the family home regardless of contact made. If we are unable to locate a child, we will

contact the police to complete safe and well checks. We will undertake every reasonable task to find a child and support them back in to school, including - using all contact details supplied to us by parents and carers; asking friends and their parents for information and asking neighbours or siblings/relatives, schools or workplaces for further information. Should we have further concerns and a child is absent for 20 days, we will complete the CME documentation as set out in DfE guidance - Children Missing Education 2016 DfE. Where we have concerns that children and their families have moved out of the area, or are unable to attend school for reasons that cause concern – fleeing DV; FGM; criminal behaviour; 23 substance misuse; poor mental health etc, then we will refer to MASH as appropriate. Staff are fully aware of all concerns that may lead to absences from school and receive regular updates on the various issues during staff training.

Children Missing from home or care

Should a child go missing from home or care, we will work with agencies to help establish their location as quickly as possible. Any child in care who is absent from school is visited at home by school staff as a matter of course on the first day of absence. Please see attendance policy and refer to the above section on CME for further information on steps we will take to locate a child.

Private Fostering

The school have a duty to refer any children who are living in a private fostering arrangement to the local authority.

We will do this through a MASH referral. It is important that parents/carers inform us if a child is going to be staying at an alternative address to that of their primary care-givers for more than 28 days.

Indicators of abuse

See below for possible indicators of abuse. (Taken from *What to do if you are worried a child is being abused*, 2015)

- disruptive, withdrawn or clingy, or they might have difficulty sleeping or start wetting the bed;
