## TUESDAY MATHS ROCKS

In our maths lessons this week we have been learning about measuring the weight (mass) of an object.

Your challenge at home is to use 6 items to answer the question:

**Does the size of an object determine the weight of it?**

You will need to have a go at weighing objects, either by holding them to feel their weight or by using measuring scales if you have them, to discover if the biggest items are **always** the heaviest items.

In our Theme lessons this week we have been learning all about the United Kingdom.

We have looked at the countries within the
