

Sowe Valley Primary School Newsletter

Learn together, Play together, Laugh together, Achieve together

Good morning and welcome back!

What a start back it has been! It really is wonderful to see the usual Sowe Valley sparkle coming back as we try to get back to normal. It has been an absolute tonic to see the school starting to come back to life after so long of lockdowns and COVID related restrictions and I wanted to share some of the amazing activities that have been happening in school with you.

Take care
Carole Carter

Covid

Many thanks for your continued support in keeping our school safe by continuing to wear facemasks whilst on site and keeping to the staggered pick up times. The pick-up times remain the same. We do try to pull through year groups as soon as the pathway is clear in school to avoid congestion outside the school gates.
