Remember to write the books you have read on Bug Club in your white reading diary!

Please return books every Thursday for them to be changed.

We are learning the 10 x table, 2 x table and the 5 x table.

PE day is Wednesday.

Your English challenge is to make predictions about the next story we are going to use in Literacy. What character do you think Crow will be? Why is his tale or tail special? What other characters do you think will be in the book? Will something dramatic happen? How will the story end?

Your Maths challenge is to go on a hunt around your house and try and find things that have a line of symmetry (they are the same both side). If you have got a little mirror you could always check. Please send me picture of the symmetrical things you find!
