## Reading ROCKS

Please read at home every day for 5 – 10 minutes.

Remember to write the books you have read on Bug Club in your white reading diary!

Please return books every Thursday for them to be changed.

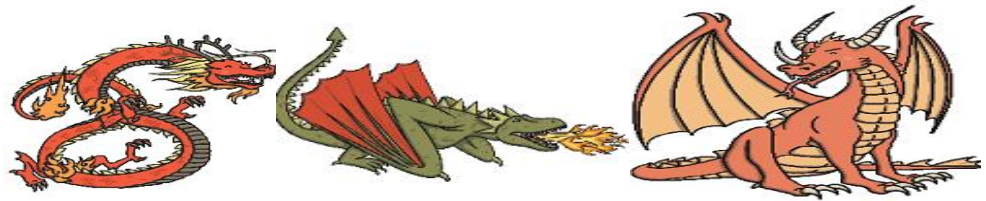

Please practise your times tables every day for 5 – 10 minutes.

We are learning the 10 x table, 2 x table and the 5 x table.

PE day is Wednesday.

Your English challenge is to look carefully at the pictures of the dragons.

Secretly choose your favourite. Write a description of the dragon, such as colour, size of wings, speed, colour, claws etc and then read it out to someone in your house. See if they can guess which dragon you are describing! Send in a photo of your description and I can try and guess too!

Your Maths challenge is to practise counting in 5's. You could count as you go up and down the stairs, you could draw a hopscotch and put multiples of 5 on it, you could make your own counting stick... you could even teach your family the 5 x table Macarena! Have fun!
