

# Summer Term: South America and Rainforests

## South America and Rainforests

Following an enthusiastic start to our topic, we have already gained lots of geographical knowledge about the world and more specifically South America.

The majority of our topic is spent focusing on Brazil and the famous Amazon Rainforest. This will cover a range of subjects including Geography,

### Numeracy

The class's confidence and skill is improving greatly. We have worked hard on our number, four operations and fraction knowledge so far this year. We are now going to focus on geometry, statistics, measurement and a little more work on decimals.

Please encourage your child to continue their daily practice of

### Reading

Just a reminder that the children should be reading to an adult every night and that an adult signature is required. This will mean that your children should be changing their book at least once a week.

### PE Kit

Year 5 will have PE lessons on Thursday and Friday afternoons. Please make sure that your child always has their kit, including suitable outdoor footwear.

### Literacy

The children's grammar skills are developing well and they continue to complete a sequence of grammar lessons weekly.

In addition to this, we are focusing on using our writing skills effectively and making sure that our language choices are always adventurous. These skills will be taught through a range of
