20th and 27th March 2026

Dear Parents/Carers,

As we approach the end of term, it has been wonderful to see so many exciting learning opportunities taking place across the school. Our pupils have been engaged, enthusiastic, and eager to take part in a wide range of activities that enrich their learning beyond the classroom.

This week, children in Years 2, 5 and 6 have taken part in important workshops delivered by the NSPCC. These sessions focused on helping children understand how to stay safe, recognise trusted adults, and know how to speak up if they have any worries.

Year 4 recently enjoyed a fantastic local river walk, where they had the opportunity to explore their surrounding environment and develop their understanding of local geography. The children showed great curiosity as they observed wildlife, discussed river features, and considered how we can care for our natural world.

Meanwhile, our Year 1 pupils had a wonderful trip to Selly Manor. The visit brought their learning to life, allowing them to experience history first-hand through exploring the historic building and taking part in hands-on activities. The children represented the school beautifully and thoroughly enjoyed their day.

We have also seen some fantastic participation in our Easter Egg Competition, with many creative and imaginative entries. Thankyou to all those who entered, the judges had a difficult decision to make.

In addition, the enthusiasm for our Times Tables Rock Stars (TTRS) competition has been incredible, with pupils practising their multiplication skills and showing great determination to improve.

As we reach the end of term, we would like to wish all of our families a restful and enjoyable Easter break. Thank you for your continued support throughout the term—it is greatly appreciated and plays a vital role in helping the children thrive and succeed.

We look forward to welcoming the children back to school on Monday 13th April 2026, ready for another exciting term of learning.

Emma White

Headteacher
